Book fair ideas for 2nd graders. 02.12.2018 · Once your TEEN is about 2 or 3-years of age, begin asking questions before, during, and after reading the book. Show your TEEN the cover of the book and ask him what he thinks the story is going to be about (predicting). While reading, ask him what he thinks is going to happen in the story or why he thinks a character made a particular choice (inferring). Start by showing your students how to use unit squares to count the perimeter units of a figure. For example, find an object in the classroom, such as a book, to measure. Using the cheese crackers (or the unit of your choice), model how students would find the perimeter of the book by placing crackers side-by-side, all around the book.
